TO 3500 MAIL ROOM

comprising:

supporting posts having limit stops or locking elements and being formed as vertical plate-like bodies; and,

a roof affixed to said supporting posts, said roof being a self-supporting slab resting in a horizontal direction directly upon said supporting posts.

21. The playhouse made from pre-fabricated parts according to Claim 20, wherein said self-supporting slab comprises a cover plate which, in a parallel direction, rests upon a level framework to which it is connected.

22. The playhouse made from pre-fabricated parts according to Claim 20, wherein said self-supporting slab is shaped as a hexagon.

23. The playhouse made from pre-fabricated parts according to Claim 20, wherein said self-supporting slab is shaped as a half-hexagon.

24. The playhouse made from pre-fabricated parts according to Claim 20, wherein said supporting posts have a horizontal cross-section which is bent or curved.

25. The playhouse made from pre-fabricated parts according to Claim 20, wherein said supporting posts are provided with recesses.

26. The playhouse made from pre-fabricated parts

according to Claim 20, wherein said supporting posts have a length exceeding a distance as measured from said roof to a floor level of said playhouse, and having a recess into which said self-supporting slab is capable of being inserted edgewise.

cont C1
X 27. The playhouse made from pre-fabricated parts according to Claim 20, wherein said vertical plate-like bodies are comprised of straw with a binding agent.

B.
(unsubd)
X 28. The playhouse made from pre-fabricated parts according to Claim 20, wherein said self-supporting slab includes a fastening device on its base or an edge thereof.

X 29. The playhouse made from pre-fabricated parts according to Claim 28, wherein said fastening device is a guide rail.

X 30. The playhouse made from pre-fabricated parts according to Claim 20, wherein said self-supporting slab has a side rail on its top side.

X 31. The playhouse made from pre-fabricated parts according to Claim 20, wherein parts of said playhouse are connected to one another via plug connections.--

REMARKS

Reconsideration and withdrawal of the rejection and the allowance of all claims now pending in the above-identified
